

Dear SCMS Members,

Recent medical mandates have created an even greater demand and marketing awareness for Doctor Dial's automatic recall and appointment confirmation technology for medical, dental, chiropractic and veterinary offices.

SCMS members will receive a **complimentary one-week trial** of Doctor Dial, at NO obligation and NO hardware or software to purchase. Additionally, SCMS members shall receive a **50% discount** off Doctor Dial's one time setup fee. David Swart, Co-Founder will field all inbound inquiries personally as one of the Principals of Doctor Dial. David will make any special concessions necessary to assure that SCMS members receive the highest degree of professionalism and exceed member's expectations.

At a minimum, SCMS members are invited to take advantage of a complimentary trial for an **Annual Patient Recall**. Using your Doctors actual voice, Doctor Dial's can generate additional revenue, help limit practice liability and ultimately save more lives.
