

Eidson Educational Summer Series

Join us for the following informal but informative discussions on how to prepare when the future seems uncertain

June 29 or July 19
8:30 am—9:30 am

Cloud Computing: Disaster Recovery Protection

Presented by
Ray Bazzi
Diriga Technologies

Hurricane season is here and natural disasters are occurring around the world.

Are you prepared?

Learn the advantages of using Cloud Computing and how to choose the right cloud to ensure your business continuity when the unexpected happens.

July 12 or August 25
8:30 am—9:30 am

Healthcare Reform & Benefits Planning

Presented by
Terri Seefeldt, RHU
Rogers Benefit Group

It's been a year since our 2010 seminar, "What you need to know now," and the future of healthcare reform is still uncertain.

Learn what is certain for 2011-12 health care reform and how to design an employee benefits package that balances the increasing cost of health insurance with the needs of your team.

Location: Eidson Insurance, 2807 Edgewater Drive, Orlando, 32804

R.S.V.P. to Vicki Eckrich 407-849-0333 or vickie@eidsoninsurance.com
